Welcome to Rio! On our combo field we offer the following trap shooting disciplines, *Singles, Doubles and handicap*. We also offer *Wobble Trap* and we have two *Introduction stations plus a patterning board bay*.

For our Trap & Wobble Trap we have a new voice release system. You will need to use a target card to activate the target managers for Trap, Wobble Trap, Sporting Clays . (These are available at the Shotgun Office for five dollars (\$5).)

We also offer 5-Stand and it requires an RSSC crew member to function as a puller. You will need to purchase tickets in the shotgun office and provide your ticket to the puller prior to the start of your round.

You may smoke or vape at the Combo & Practice Fields ONLY but NOT on the Sporting Clays Course. We ask that you properly dispose of your tobacco products in the fire safe containers provided throughout the range and be considerate of others.

We have one of the most scenic layouts in Arizona. Enjoy it and please help us keep everyone SAFE.

*Target cards also known as proximity cards are for our Ez Pull target manager and they are used on trap, wobble trap, sporting clays fields & introductory stations. To purchase a target card see your shotgun assistant in the shotgun office and they are \$5.00 each.
