April 24, 2020

To our valued Members and Staff,

First off, I hope all of you and your families are staying safe and are well during this exceedingly difficult time. Next, I would like to thank our Board of Directors, staff and membership for the level of care that they have demonstrated over the last several weeks, it is truly inspiring. We know there is a lot going on in the world right now and people are prioritizing life choices. Our ability to keep Rio Salado Sportsman's Club (RSSC) open while still operating safely and efficiently demonstrates our commitment to the community.

Currently, we all have been following the Governor's Executive Order #2020-18 which promotes physical distancing and builds upon health precautions that have already been implemented. This Order states that all individuals in the State of Arizona shall limit their time away from their residence except to participate in or conduct essential activities or business. Order #2020-18 is in effect until April 30, 2020 and can be continued past that date if needed. As of today, the Governor has not acted regarding the April 30 deadline.

Therefore, RSSC is not changing any of our current health precaution policies until there is additional guidance from the Federal and State government. This includes no future scheduling of division matches and major competitions. When there are additional guidelines and a clear health mitigation standard is identified, RSSC will assist match directors and user groups in having events while still following Federal and State health precaution guidelines.

I want you to know that you are a valued and an important part of the shooting community. We will continue working together toward our common vision of a prudent response to the COVID-19 Pandemic.

Stay safe. Stay well. Thank you for being part of the Rio Salado family.

Scott Krushak  
President
