

TARGETS LOST POLICY

Please know that we work hard to keep the machines functioning so that you do not lose any targets.

If you have a machine that is malfunctioning or not throwing, please give us a call immediately and we will send an attendant to fix the problem. Call: 480-984-9610 extension 102.

We will happily reload a **maximum of 10 targets** due to machine malfunction or breakage the same day of the loss. Targets will be reloaded in the Shotgun office.

If you have any questions, please feel free to contact 480-984-9610, extension 109 or 110 or email us at shotgunmanager@rsscaz.com.
